KEVIN D. BURKE
Mayor

Starting Friday, Sept. 22, 2006, the door on Terre Haute City Hall's west side, at the top of the stairs and wheelchair ramp, will be locked. The public entrance to City Hall will be through the doors on the east side of the building, facing the fountain.

The west door will be limited for use by handicapped visitors or by City Hall employees. Handicapped patrons will be able to access building by using the ramp, and using the call button beside the west side door.

These changes are being made to provide patrons, City Hall employees and employees of the City Court with a more secure public environment.
